

# Park Dedication Projects

---

The City of Troy is dedicated to lasting community improvements, you can participate by dedicating amenities to your favorite park.

Our park staff will purchase a bench or tree and install it in the park of your choice (subject to approval of the Parks and Recreation Director. Available parks listed below.) A placard will be placed on/by your dedication with room for an individual's name or entity's name. You can honor a special person with a gift that will be a lasting part of the park.
