

SWIM CARE AQUATICS PROGRAM

WELCOME— Swim Care lessons are based on skill levels and are divided into a variety of different groups to accommodate for all types of swimmers. While practice and persistence are key in all skills, the program is designed to let each participant's abilities determine their progress through the program. Below is all of the different levels that are offered with a brief description of the skills taught in each group.

SHRIMP—For children 6 months to 3 years of age. Intended to develop comfort in and around the water.

*Parent accompanies child in the pool.

SEAHORSE—For children at least 3 years of age. Teaches buoyancy, breath control, and introduces basic water skills.

STARFISH—Learning unsupported floating and kicking, while front crawl and back crawl are introduced.

GUPPY— Continue to work on front crawl and back crawl, learn elementary backstroke, and begin diving.

FLIPPER— Introduction to sidestroke, deep water bobbing, breaststroke kick, and continues work on previous strokes.

SEAL— Continuing stroke development and adding the dolphin kick, treading water, & breaststroke.

SAILFISH—Build endurance while being introduced to the butterfly, front and back crawl flip turns.

BARRACUDA—Refine and review all strokes and turns, build endurance, and learn Junior lifeguarding skills.

Group and private lessons are available for swimmers of all ages. Below are the times and dates available for this summer. If you have questions regarding the lessons available please contact the Midwest Pool Office Swim Lesson Coordinator at 314-432-1313 x 4709.
